Description

Description: Users attempting to register on the platform are unable to locate the social media sign-up button on the registration form. This prevents them from using their social media accounts to create an account.

Steps to reproduce:
The same as for the : https://itfclasses.atlassian.net/browse/FAS-18

Expected results : A social media sign-up button is clearly visible on the registration form.
Actual results: No social media sign-up button is present on the registration form.

As a new user i want to register a new account to have acces on app full features. (FAS-4)

[FAS-25] **Users are able to create accounts with invalid e-mail** Created: 31/Aug/24 Updated: 31/Aug/24

Description

Users are able to create accounts with invalid e-mails , when they enter an invalid email address (e.g., missing "@", invalid domain) and fill in any additional information required.

Steps to reproduce:
The same as for the https://itfclasses.atlassian.net/browse/FAS-21

Expected Result:
The system displays an error message indicating the email address is invalid.
The user cannot submit the form until a valid email address is entered.

Actual results: Users can easily create an account with an invalid e-mail
